

## CEE SCHISLER's actions for European paper bags day on october 18th, 2019

On the occasion of European paper bags day, CEE SCHISLER decided to lead 2 actions in order to promote paper bags use.

First action was to help local agency « les restaurants du coeur » in Poitiers, by offering them 2 pallets of twisted paper carrier bags in order to distribute meals.

\* Second action was more playful ; since we've done a family picture with employees handling ou paper bags , and a tag « we love paper bags ».
